

## REGIONS TRADITION ROUND 2 | STEVE STRICKER

Stricker: Yeah, it was a lot of holes today. Took a cart for most of it. So I felt like a Champions Tour player, you know, right in a cart. And but it helps you know, I walked the last nine holes and all the other ones so kind of took advantage of that situation. I played well, in a lot of good shots made some key putts in my head too, and to good scores.

Q: Did you watch the leaderboard at all?

Stricker: Yeah, would watch and I knew where I wanted to get to and where the leaders were, and I wanted to be in that last group come tomorrow. So I did that. So should be fun weekend.

Q: Going for that three-peat? Is that in the back of your mind headed into the weekend?

Stricker: You know, just trying to play good. I enjoy it here. I feel good going around here. I'm just trying to, you know, that old cliché of just taking one shot one hole at a time kind of thing. So continue that with tomorrow.

Q: Seems like the iron issue you're having it's been dialed in.

Stricker: I went back to my old iron is what I did. And, you know, I think I'm just more comfortable with them and what to expect with them, played them for so many years. I drove the ball well with a new driver. So, you know, those two things were going well today.

Q: Are you looking forward to next week?

Stricker: Yeah, I don't know, to be quite honest with you. I don't know if I'm gonna go play. You know, it's two big events. Actually, I'd love to be there because it is a big event, but it's a big course. I'm tired. I'm old. You know, I know where my place is. I'm gonna assess where I'm at. But I'm kind of leaning towards I'm not going. I don't really want to play that much. And three weeks in a row just doesn't sound too appealing to me. So I just kind of pick and choose where I want to play.
